Committees of the Board

The Board has three standing committees: the audit committee, the compensation committee and the governance and nominating committee.

Audit Committee. We have a standing audit committee of the Board (the "Audit Committee") established in accordance with Rule 10A-3 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The members of our Audit Committee are Ms. Vinella (Chair) and Mr. Clifford. Each member of the Audit Committee meets the independence and other requirements to serve on our Audit Committee under the NASDAQ Stock Market Rules and the rules of the Securities and Exchange Commission ("SEC"). In addition, the Board has determined that Ms. Vinella is an "audit committee financial expert" as defined in the rules of the SEC.

The Audit Committee met 9 times in 2009. The report of the Audit Committee is provided below. The Board has adopted a written charter for the Audit Committee, a copy of which is posted in the Corporate Governance section of our Internet website (at www.swkhold.com). The principal functions of the Audit Committee are to oversee our accounting and financial reporting processes and the audits of our financial statements, oversee our relationship with our independent auditors, including selecting, evaluating and setting the compensation of, and approving all audit and non-audit services to be performed by, the independent auditors, and facilitate communication among our independent auditors and our financial and senior management.

Compensation Committee. We have a standing compensation committee of the Board (the “Compensation Committee”). The current members of our Compensation Committee are Messrs. Clifford (Chair) and Weinberg. Prior to January 4, 2010, the Committee was comprised of Messrs. Clifford (Chair), Batt and Nemelka. The Compensation Committee met 7 times in 2009. Each current member of the Compensation Committee meets the independence and other requirements to serve on our Compensation Committee under the NASDAQ Stock Market Rules and the rules of the SEC. Mr. Nemelka met such requirements in the period during which he served on the Committee.

The Board has adopted a written charter for the Compensation Committee, a copy of which is posted in the corporate governance section of our Internet website (at www.swkhold.com). The Compensation Committee has responsibilities relating to the performance evaluation and the compensation of our Chief Executive Officer, the compensation of our executive officers and directors and our significant compensation arrangements, plans, policies and programs, including our stock compensation plans. Certain of our executive officers, our outside counsel and consultants may occasionally attend the meetings of the Compensation Committee. However, no officer of the Company is present during discussions or deliberations regarding that officer’s own compensation.

Governance and Nominating Committee. We have a standing governance and nominating committee of the Board (the “Governance and Nominating Committee”). The members of our Governance and Nominating Committee are Mr. Weinberg (Chair), Ms. Vinella and Mr. Fields. Until January 4, 2010, the committee consisted of Messrs. Batt and Nemelka and Ms. Vinella. The Governance and Nominating Committee met twice in 2009. Each of Messrs. Batt, Weinberg and Ms. Vinella meets the independence and other requirements to serve on our Governance and Nominating Committee under the NASDAQ Stock Market Rules and the rules of the SEC. Mr. Nemelka met such requirements in the period during which he served on the Committee.

The Board has adopted a written charter for the Governance and Nominating Committee, a copy of which is posted in the Corporate Governance section of our Internet website (at www.swkhold.com). The Governance and Nominating Committee considers the performance of the members of the Board and nominees for director positions and evaluates and oversees corporate governance and related issues.

The goal of the Governance and Nominating Committee is to ensure that the members of the Board possess a variety of perspectives and skills derived from high-quality business and professional experience. The Governance and Nominating Committee seeks to achieve a balance of knowledge, experience and capability on the Board. To this end, the Governance and Nominating Committee seeks nominees with the highest professional and personal ethics and values, an understanding of our business and industry, diversity of business experience and expertise, a high level of education, broad-based business acumen and the ability to think strategically. Although the Governance and Nominating Committee uses these and other criteria to evaluate potential nominees to the Board, it has no stated minimum criteria for such nominees. The Governance and Nominating Committee does not use different standards to evaluate nominees depending on whether they are proposed by our directors and management or by our stockholders. To date, we have not paid any third parties to assist us in this process.

The Governance and Nominating Committee will consider stockholder recommendations for director candidates. The Governance and Nominating Committee has established the following procedure for stockholders to submit such recommendations for which there has been no material change: the stockholder should send the name of the individual and related personal and professional information, including a list of references to our Governance and Nominating Committee, in care of the Corporate Secretary at our principal executive offices, sufficiently in advance of the annual meeting to allow the Governance and Nominating committee appropriate time to consider the recommendation.

Board Leadership Structure and Risk Oversight

The Corporation separated the roles of Chief Executive Officer and Chairman of the Board on January 4, 2010, following the completion of the Asset Sale. Michael Weinberg serves as Chairman of the Board, while John Nemelka serves as Interim Chief Executive Officer of the Company. The Board believes the separation of these roles enables effective oversight of management and provides checks and balances with respect to the decision making process at the Company.

The Board, in conjunction with the Company’s officers, is responsible for considering, identifying and managing material risks to the Company. The audit committee plays a critical role in evaluating and managing internal controls, financial risk exposure and monitoring the activities of the Company’s independent registered public accounting firm. The entire Board also receives updates at each Board meeting regarding any material risks from the Company’s management.

Compensation for Directors

In 2009, we paid each of our non-employee directors (i) an annual fee of \$15,000 and (ii) an additional \$2,500 for each of the four regularly scheduled Board meetings that such director attended. We paid the chairperson of the Audit Committee an additional \$40,000, the chairpersons of the Compensation Committee and the Governance and Nominating Committee an additional \$10,000 and the chairperson of the Strategy Committee an additional \$15,000.

Our non-employee directors were eligible to receive automatic and discretionary stock option grants and stock issuances pursuant to our 1999 Stock Incentive Plan, as amended. The Plan expired in July 2009 and no further grants may be made under the Plan. Historically, when non-employee directors were first elected or appointed as members of the Board, they were granted options to purchase 40,000 shares of common stock. Through 2009, non-employee directors serving for at least six months received annual grants of options to purchase 10,000 shares of common stock. The non-employee directors were also eligible to receive other types of awards that were discretionary and not automatic. All options granted to non-employee directors had an exercise price equal to the current fair market value of our common stock on the date of the grant, and were nonqualified stock options. Following the completion of the Asset Sale, the Board has determined to review the Company's equity compensation for non-employee directors in 2010.

We reimburse our directors for reasonable travel and other reasonable expenses incurred in connection with attending the meetings of the Board. The Company is also party to indemnification agreements with each of its directors.

On January 4, 2010, the Company entered into offer letters with each of Messrs. Nemelka and Burgon, providing for annual salaries of \$200,000 and \$175,000, respectively. Pursuant to the Offer Letters, Messrs. Nemelka and Burgon are at-will employees of the Company. The Company is also party to indemnification agreements with its executive officers. Since the employees of the Company are at will, the Company does not believe that there are any material risks arising from the Company's compensation policies and practices for its employees.

Below are the material terms of employment agreements between the Company and its former officers.

Michael S. Fields. KANA was party to a letter agreement, effective as of August 26, 2005, with Mr. Fields with respect to his service as KANA's Chief Executive Officer and Chairman of the Board. This agreement was terminated on December 23, 2009 in connection with the Asset Sale. This letter agreement provided that if Mr. Fields was terminated for any reason other than cause, then he would receive an amount equal to six months of his annual base salary, as in effect at the time of termination. In addition, if there had been a change in control involving 50% or more of our outstanding stock, and if, following such change in control, Mr. Fields was not offered a position with the combined entity similar to the one he held prior to the change in control, then 100% of the unvested shares underlying the initial options granted to him in connection with his appointment as our Chief Executive Officer would have immediately vested.

Michael J. Shannahan. KANA was party to a letter agreement, effective February 2008, with Mr. Shannahan relating to his appointment as KANA's Executive Vice President and Chief Financial Officer. The letter agreement provided that Mr. Shannahan would receive an annual base salary of \$275,000 and a one-time, non-refundable sign-on bonus of \$11,458. Mr. Shannahan retired from KANA effective in May 2009.

Separation Agreement

Michael J. Shannahan. On May 21, 2009, we entered into a separation agreement and release with Mr. Shannahan. Pursuant to this agreement, we paid Mr. Shannahan \$137,500, which represented six months of his base salary, less applicable state and federal payroll deductions. In addition, we paid Mr. Shannahan \$27,552, less applicable state and federal payroll deductions, in six equal installments beginning on June 1, 2009 and ending on September 15, 2009. We also agreed to pay Mr. Shannahan's health insurance premiums for six months under the Consolidated Omnibus Budget Reconciliation Act of 1995 (COBRA) upon his election to continue the applicable health benefits under COBRA. Mr. Shannahan provided the Company with a general release of claims and covenant not to sue. All remaining obligations under the separation agreement were assumed by Kay Technology in the Asset Sale.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE.

Review, Approval or Ratification of Transactions with Related Persons

Our Audit Committee Charter requires our Audit Committee to review and approve certain transactions between us and our executive officers and directors and greater than 5% beneficial owners of our common stock, and each of their immediate family members. Transactions subject to the review and approval of the Audit Committee (or another independent body of the Board) include transactions between us and the related person in which the aggregate amount involved exceeds or may be expected to exceed \$120,000 and in which such person has or will have a direct or indirect material interest. To identify any related party transactions, each year, we submit and require our directors and officers to complete director and officer questionnaires identifying any transactions with us in which the executive officer or director or their family members has an interest. In addition, the Board determines, on an annual basis, which members of the Board meet the definition of independent director as defined in the rules of The NASDAQ Stock Market and reviews and discusses any relationships with a director that would potentially interfere with his or her exercise of independent judgment in carrying out the responsibilities of a director. In approving or rejecting any such transaction, the Audit Committee, considers the relevant facts and circumstances available to it, including but not limited to the risks, costs, benefits to our company, the terms of the transaction, the availability of other sources for comparable services or products and, if applicable, the impact on a director's independence. Our Audit Committee approves only those transactions that it determines in good faith, are in, or are not inconsistent with, our best interests.

Certain Transactions with Related Persons

From January 2008 until December 23, 2009, the daughter of Michael Fields, a director and our former Chief Executive Officer, served as KANA's Director of Legal Services. Ms. Fields received total compensation of \$137,774 in 2009. The \$137,774 consisted of \$130,000 in annual base salary, \$1,511 in stock-based compensation expense that was calculated in accordance with FASB ASC Topic 718, and \$6,263 as an incentive bonus based on achievement of personal objectives.

Since January 2010, we sublease approximately 2,300 square feet on a month-to-month basis under an agreement with Nightwatch a company of which John Nemelka, our Interim Chief Executive Officer is the Managing Principal, and Paul Burgon, our Interim Chief Financial Officer, is a Principal and the Chief Financial Officer. Our rent under this sublease is approximately \$4,000 per month. Additionally, we have entered into a services agreement with Nightwatch to provide certain bookkeeping and other administrative services at cost. The expenses under the services agreement are expected to be less than \$5,500 per month.

Except as otherwise set forth in this proxy statement, there have not been, and there are not currently proposed, any transactions or series of similar transactions in which we were or will be a participant in which the amount involved exceeded or will exceed \$120,000 and in which any director, executive officer, holder of 5% or more of any class of our capital stock or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest.

Independence

The Board has adopted the definitions, standards and exceptions to the standards for evaluating director independence provided in the NASDAQ Stock Market rules, and determined that three of our current directors, Mr. Clifford, Ms. Vinella and Mr. Weinberg, are independent under the rules of The NASDAQ Stock Market.

The Board met 40 times in 2009, including telephone conference meetings. During 2009, no director attended fewer than 75% of the aggregate of the total number of meetings of the Board and the total number of meetings held by all committees of the Board on which such director served during the time period for which each such director served on the Board.

ITEM 14. PRINCIPAL ACCOUNTANT FEES AND SERVICES.

Fiscal 2008 and 2009 Audit Fee Summary

Set forth below are the aggregated fees (in thousands) billed for audit and other services provided by BPM for 2008 and 2009.

	Year Ended December 31,	
	2008	2009

Audit-related fees (2)		31
Tax fees		
All other fees		
Total fees	\$ 617	\$ 384

(2) Consists of fees related to the Asset Sale.

Our Audit Committee considers at least annually whether the provision of non-audit services by our independent registered public accounting firm is compatible with maintaining auditor independence. This process includes:

- Obtaining and reviewing, on at least an annual basis, a letter from the independent registered public accounting firm describing all relationships between the independent registered public accounting firm and the Company required to be disclosed by Public Company Accounting Oversight Board Rule 3562 (Communication with Audit Committees Concerning Independence), reviewing the nature and scope of such relationships, discussing these relationships with the independent registered public accounting firm and discontinuing any relationships that the Audit Committee believes could compromise the independence of the registered public accounting firm.
- Obtaining reports of all non-audit services proposed to be performed by the independent registered public accounting firm before such services are performed, reviewing and approving or prohibiting, as appropriate, any non-audit services not permitted by applicable law. The Audit Committee may delegate authority to review and approve or prohibit non-audit services to one or more members of the Audit Committee, and direct that any approval so granted be reported to the Audit Committee at a following meeting of the Audit Committee.

All services provided by the Company's independent registered public accounting firm in fiscal years 2008 and 2009 were approved in advance by the Audit Committee.

Audit Committee Pre-Approval Policies and Procedures

All audit and permitted non-audit services to be performed for the Company by its independent registered public accounting firm must be pre-approved by the Audit Committee to assure that the provision of such services do not impair the firm's independence. The Audit Committee does not delegate its responsibility to pre-approve services performed by the independent auditors to management.

The annual audit services engagement terms and fees are subject to the specific pre-approval of the Audit Committee. The Audit Committee will approve, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope or other matters. All other audit services not otherwise included in the annual audit services engagement must be specifically pre-approved by the Audit Committee.
