## **MESSAGE FROM OUR CHIEF EXECUTIVE**

Dear Fellow Stakeholders:

Following a productive 2019 fiscal year, we entered 2020 seeking to generate near-term and longer-range returns to the stockholders of SWK by capitalizing on our unique position as a leader in the specialty healthcare finance industry focused on commercial-stage, small to mid-sized life science companies and royalty owners. The strategy, which we continue to execute, is focused on expanding our traditional specialty healthcare finance business through synergistic transactions that offer both attractive valuations and upside optionality capable of driving returns for our stockholders. Our transformational acquisition of Enteris BioPharma, Inc. (“Enteris”) is evidence of this plan in action.

Dovetailing our initiatives to enhance SWK’s business, our common stock is now traded on the NASDAQ Capital Market. In order to enable us to achieve that goal, we enhanced our Board of Directors to comply with the listing requirements and infuse the team with expertise that aligns with our growth strategy.

Through it all, SWK remains laser focused on securing transactions that leverage our well-established reputation as a trusted financing partner for small to mid-sized life sciences companies looking for capital to support their growth opportunities. This is our core business, and we expect it to remain the primary growth driver for SWK.

I would like to take this opportunity to highlight some of our accomplishments and how these events feed into our future plans. All of this was made possible by the diligent efforts of our lean SWK team. We would like to thank our employees for their dedication and loyalty and our stakeholders for their continued support as we evolve our model and grow SWK.

### **A Productive 2019 Fiscal Year**

In 2019, SWK closed five new transactions and had three successful repayments. SWK also raised a credit facility to support growth efforts and initiated a stock buyback program, which was resumed earlier this year. SWK anticipates continued strength into 2020 and beyond. Given our reputation as a trusted financing partner for life science companies seeking unique financing structures to support growth, our opportunity pipeline remains very active. Since launching in 2012, SWK has successfully executed this business model with 36 partners, deployed \$539 million of capital and created a portfolio of royalties and structured credit backed by royalties that totals approximately \$180 million across 23 partners. That said, SWK seeks to continue to improve the quality of our portfolio and our management with disciplined underwriting.

### **Fiscal 2019 Acquisition**

On August 26, 2019, SWK announced a strategic acquisition whereby SWK acquired Enteris from a private equity firm (“Seller”). Enteris is a biotechnology company offering innovative formulation solutions utilizing its proprietary oral drug delivery technology, Peptelligence®. Enteris will operate as a wholly-owned subsidiary of SWK.

Under the terms of the deal, SWK paid \$21.5 million to the Seller. Further, Enteris and the seller will share the milestone and royalty proceeds of the Non-Exclusive License Agreement between Enteris and Cara Therapeutics, Inc. (“Cara”) executed on August 20, 2019 under which Enteris licensed its proprietary Peptelligence® oral drug formulation to Cara for use with its Oral KORSUVA™ drug development candidate per the following conditions:

- Seller received 100 percent of the \$8 million upfront amount paid upon execution of the Cara license;

- Seller will receive 40 percent of the first milestone payment, with Enteris to receive 60 percent of such payment;
- Seller will receive 75 percent of any remaining milestone and royalty payments until Seller receives an aggregate \$32.75 million, excluding the first milestone payment, with Enteris entitled to the remaining 25 percent; and
- All proceeds thereafter will be split evenly between Enteris and Seller.

### **Leadership Changes**

SWK made some key changes to its Board of Directors during fiscal year 2019. On August 30, 2019, the board expanded to include six members, and upon the recommendation of the Governance and Nominating Committee, appointed both Winston L. Black, III, Chief Executive Officer of SWK, and Aaron G.L. Fletcher, Ph.D., to the newly created board seats. The board also appointed Dr. Fletcher to its Audit Committee. Subsequently, at our 2019 annual meeting, all of our directors were re-elected to serve until the 2020 annual meeting.

### **Uplisting to NASDAQ Capital Market**

On January 21, 2020, SWK Holdings announced that its shares of common stock were approved for listing on the Nasdaq Capital Market. Trading on the exchange commenced on January 23, 2020 under the ticker symbol “SWKH.”

### **Impact of the Coronavirus Pandemic**

Coronavirus or COVID-19 is an unprecedented global health crisis, impacting all aspects of society and business. SWK, like all businesses, is not immune, and we are actively taking measures to mitigate the impact of the situation as much as possible, day by day. Unquestionably, COVID-19 is having a far-reaching effect on the broader life science sector, and we are vigilantly monitoring the situation and, in particular, the potential impact on our portfolio companies, their liquidity and contingency plans. Since the outbreak began, we have been in regular contact with the individual management teams across the portfolio, initially focused on supply chain disruptions, and more recently, focused on business visibility. While we do expect our partner companies to experience sudden choppiness in business trends, we believe much of this will be demand deferral vs. demand destruction, with many of these businesses poised to rebound as hospitals and doctors’ offices re-open to address patient needs. We believe this is due to SWK’s focus on investing in small and mid-sized life sciences companies with strong intellectual property protecting commercial products that fill important demands within the healthcare system.

Given this, we are prepared to prudently support our partner companies during this unprecedented time of stress, and importantly, remain actively identifying opportunities to put our capital to work. Specifically thinking about offense, the unprecedented dislocation broadly brought on by COVID-19 should undoubtedly create compelling investment opportunities as many small to mid-sized healthcare companies with otherwise strong product offerings will be in the need of capital. This is ideally suited our business model.

### **In Closing**

The past 12 months have been transformative for SWK, marked not only by the robust performance of our specialty finance business and the August 2019 acquisition of Enteris, but also the recent uplisting of our stock to the Nasdaq Capital Market. These accomplishments underscore a broader growth strategy being implemented by SWK intended to build value for our shareholders and enhance our position as the go-to specialty financing firm for small and mid-sized commercial-stage life sciences companies.

Sincerely,

Winston L. Black III  
Chief Executive Officer

**PROXY STATEMENT**  
**April 29, 2020**

The accompanying proxy is solicited on behalf of the Board of Directors (the “Board”) of SWK Holdings Corporation, a Delaware corporation, for use at our 2020 Annual Meeting of Stockholders (the “Annual Meeting”), which will be held in a virtual meeting format only via the Internet on May 18, 2020, at 9:00 a.m., central time, and at any postponement or adjournment of such meeting. This Proxy Statement, the accompanying Notice of the Annual Meeting and form of proxy will first be mailed to our stockholders on or about April 29, 2020. Our stockholders are encouraged to review the information provided in this Proxy Statement in conjunction with our 2019 Annual Report on Form 10-K, a copy of which also accompanies this Proxy Statement. References in this Proxy Statement to “SWK,” the “Company,” “we,” “our” and “us” collectively refer to SWK Holdings Corporation.

Many of our stockholders hold their common stock through a broker, bank or other nominee rather than directly in their own name. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the “beneficial owner” of shares, and these proxy materials (including a voting instruction card) are being forwarded to you by your broker, bank or nominee who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares at the Annual Meeting unless you request and obtain a legal proxy from your broker, bank or nominee. Please note that if you request a legal proxy, any previously executed proxy will be revoked, and your vote will not be counted unless you appear at the Annual Meeting and vote at the Annual Meeting or legally appoint another proxy to vote on your behalf. Your broker, bank or nominee has enclosed a voting instruction card for you to use in directing the broker, bank or nominee on how to vote your shares.

**VOTING INFORMATION**

**Record Date and Quorum**

A quorum is required for our stockholders to conduct business at the Annual Meeting. The holders of a majority of the shares of our common stock outstanding and entitled to vote on the record date, present at the Annual Meeting or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Only holders of our common stock of record at the close of business on April 17, 2020, the record date, are entitled to receive notice of the Annual Meeting and to vote at the Annual Meeting and any adjournments or postponements of the Annual Meeting. At the close of business on the record date, we had 12,917,853 shares of common stock outstanding and entitled to vote.

**Voting Rights**

Only holders of our common stock as of the record date are entitled to vote. Each share of common stock entitles its holder to one vote on each matter properly brought before the Annual Meeting. Shares may not be voted cumulatively. Abstentions and broker non-votes, described below, will be considered as present for purposes of determining a quorum.

## Required Votes

**Proposal 1.** Directors are elected by a plurality of the votes of the shares present at the Annual Meeting or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. This means that the nominees for election as director who receive the highest number of affirmative votes at the Annual Meeting will be elected as director. Withheld votes and broker non-votes will have no effect on the outcome of the vote.

**Proposal 2.** The ratification of the Audit Committee's appointment of BPM LLP ("BPM") as our independent registered public accounting firm for the fiscal year ending December 31, 2020, requires the affirmative vote of a majority of votes cast on the proposal. Abstentions and broker non-votes will have no effect on the outcome of the vote on this proposal.

**Proposal 3.** The approval, on an advisory basis, of the compensation paid to certain executive officers requires the affirmative vote of a majority of votes cast on the proposal. Abstentions and broker non-votes will have no effect on the outcome of the vote on this proposal.

**The Board recommends a vote FOR (i) the nominees for director; (ii) the ratification of the appointment of BPM; and (iii) the approval, on an advisory basis, of the compensation paid to certain executive officers.**

If any other matter is properly submitted to stockholders at the Annual Meeting, its adoption will generally require the affirmative vote of holders of a majority of votes cast on the proposal, by participants at the Annual Meeting or by proxy. The Board does not propose to conduct any business at the Annual Meeting other than as stated above. If you grant a proxy, Winston L. Black, Chief Executive Officer; Charles Jacobson, Chief Financial Officer; and David R. Earhart, General Counsel and Secretary (collectively referred to as the "proxyholders") will have the discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting.

## Tabulation of Votes

All votes will be tabulated by the inspector of elections appointed for the Annual Meeting. We intend to announce the preliminary voting results at the Annual Meeting, and in accordance with rules of the Securities and Exchange Commission (the "SEC"), we intend to publish the final results in a current report on Form 8-K within four business days of the Annual Meeting.

## Voting by Stockholders of Record and Beneficial Owners

**Stockholders of Record.** If you indicate a choice with respect to any matter to be acted upon on your proxy card, the shares will be voted in accordance with your instructions. Proxy cards that are signed and returned, but do not contain voting instructions with respect to certain matters, will be voted in accordance with the recommendations of the Board on such matters.

If you are a stockholder of record and attend the Annual Meeting, we encourage you to deliver your completed proxy card prior to the meeting.

**Beneficial Owners.** If you indicate a choice with respect to any matter to be acted upon on your voting instruction card, the shares will be voted in accordance with your instructions. If you do not indicate a choice or return the voting instruction card, the bank, broker or other nominee will determine if it has the discretionary authority to vote on each matter. Under applicable law, a bank, broker or nominee has the discretion to vote on routine matters, which includes the ratification of the appointment of an independent registered public accounting firm. For all other matters to be considered at the Annual Meeting, brokers and certain banks and nominees will be unable to vote on your behalf if you do not instruct them how to vote your shares in the manner set forth on your voting instruction card (referred to as "broker non-votes"). Therefore, it is very important for you to provide voting instructions for each proposal.

If you hold your common shares through a bank, broker or other nominee and want to vote such shares at the Annual Meeting, you must obtain a legal proxy from your broker, bank or other nominee giving you the power to vote such shares. Please note that if you request a legal proxy, any previously executed proxy will be revoked, and your vote will not be counted unless you attend the Annual Meeting and vote or legally appoint another proxy to vote on your behalf.

### **Expenses of Solicitation of Proxies**

We are paying the expenses of soliciting the proxies to be voted at the Annual Meeting. Following the original mailing of the proxies and other soliciting materials, we will request that brokers, custodians, nominees and other record holders of our common stock forward copies of the proxy and other soliciting materials to persons for whom they hold shares of common stock and request authority for the exercise of the proxies. In these cases, we will, upon their request, reimburse such record holders for their reasonable expenses. Proxies may also be solicited by some of our directors, officers and employees and consultants, without additional compensation, in person or by telephone.

### **Revocability of Proxies**

*Stockholders of Record.* You may change your vote at any time before the proxy is exercised by voting at the Annual Meeting or by filing with our Secretary either a notice revoking the proxy or a properly signed proxy, in each case bearing a later date. Your attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you file the proper documentation.

*Beneficial Owners.* If you hold your shares through a bank, broker or other nominee, you should contact such person prior to the time such voting instructions are exercised.

### **Communicating with Members of the Board**

Stockholders may communicate with any of our directors by written mail addressed to the Secretary, SWK Holdings Corporation, 14755 Preston Road, Suite 105, Dallas, Texas 75254. Stockholders are encouraged to include proof of ownership of the Company's stock in such communications. The Secretary will forward all communications to the applicable director or directors.

### **Internet Availability of Proxy Materials**

***Important Notice Regarding the Availability of Proxy Materials for the 2020 Annual Meeting of Stockholders to Be Held May 18, 2020:*** The Notice of the Annual Meeting, this Proxy Statement, and the Company's Annual Report on Form 10-K for the year ended December 31, 2019, are available at [www.swkhold.com/investor-relations/proxy](http://www.swkhold.com/investor-relations/proxy).

The goal of the Governance and Nominating Committee is to ensure that the members of the Board possess a variety of perspectives and skills derived from high-quality business and professional experience. The Governance and Nominating Committee seeks to achieve a balance of knowledge, experience and capability on the Board. To this end, the Governance and Nominating Committee seeks nominees with the highest professional and personal ethics and values, an understanding of our business and industry, diversity of business experience and expertise, a high level of education, broad-based business acumen and the ability to think strategically. Although the Governance and Nominating Committee uses these and other criteria to evaluate potential nominees to the Board, it has no stated minimum criteria for such nominees. The Governance and Nominating Committee does not use different standards to evaluate nominees depending on whether they are proposed by our directors and management or by our stockholders. To date, we have not paid any third parties to assist us in this process.

The Governance and Nominating Committee will consider stockholder recommendations for director candidates. The Governance and Nominating Committee has established the following procedure for stockholders to submit such recommendations for which there has been no material change: the stockholder should send the name of the individual and related personal and professional information, including a list of references to our Governance and Nominating Committee, in care of the Corporate Secretary at our principal executive offices, sufficiently in advance of the annual meeting to allow the Governance and Nominating committee appropriate time to consider the recommendation.

**PROPOSAL 2—RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Our Audit Committee has appointed BPM LLP (“BPM”) as the Company’s independent registered public accounting firm to perform the audit of our consolidated financial statements for the year ending December 31, 2020, and our stockholders are being asked to ratify this appointment. Our organizational documents do not require our stockholders to ratify the appointment of BPM as our independent registered public accounting firm. We are submitting the appointment of BPM to our stockholders for ratification because we believe it is a matter of good corporate practice. The Audit Committee will take your vote on this proposal into consideration when appointing our independent registered public accounting firm in the future. However, even if the stockholders ratify the appointment of BPM, the Audit Committee may in its sole discretion terminate the engagement of BPM and direct the appointment of another independent auditor at any time during the year, although it has no current intent to do so.

Representatives of BPM are expected to be present at the Annual Meeting. If present, such representatives will have the opportunity to make a statement at the Annual Meeting if they wish and they will be available to respond to appropriate questions.

**The Board of Directors recommends a vote *FOR* the ratification of the appointment of BPM LLP as our independent registered public accounting firm.**

**2019 and 2018 Audit Fee Summary**

BPM audited our consolidated financial statements for the years ended December 31, 2019, and 2018. Set forth below are the aggregated fees billed for audit and other services provided by BPM for 2019 and 2018:

	<b>Year Ended December 31,</b>

Tax fees .....	—	—
All other fees .....	—	—
Total fees .....	<u>\$ 248,000</u>	<u>\$ 168,000</u>

(1) Consists of fees billed for professional services rendered for the audit of our annual consolidated financial statements and review of our quarterly condensed consolidated financial statements and services, such as consents and review of SEC comment letters that are normally provided by BPM in connection with statutory and regulatory filing engagements.

Our Audit Committee considers at least annually whether the provision of non-audit services by our independent registered public accounting firm is compatible with maintaining auditor independence. This process includes:

- Obtaining and reviewing, on at least an annual basis, a letter from the independent registered public accounting firm describing all relationships between the independent registered public accounting firm and the Company required to be disclosed by Public Company Accounting Oversight Board standards, reviewing the nature and scope of such relationships, discussing these relationships with the independent registered public accounting firm and discontinuing any relationships that the Audit Committee believes could compromise the independence of the registered public accounting firm.
- Obtaining reports of all non-audit services proposed to be performed by the independent registered public accounting firm before such services are performed, reviewing and approving or prohibiting, as appropriate, any non-audit services not permitted by applicable law. The Audit Committee may delegate authority to review and approve or prohibit non-audit services to one or more members of the Audit Committee, and direct that any approval so granted be reported to the Audit Committee at a following meeting of the Audit Committee.

All services provided by the Company's independent registered public accounting firm in fiscal years 2019 and 2018 were approved in advance by the Audit Committee.

#### **Audit Committee Pre-Approval Policies and Procedures**

All audit and permitted non-audit services to be performed for the Company by its independent registered public accounting firm must be pre-approved by the Audit Committee to assure that the provision of such services does not impair the firm's independence. The Audit Committee does not delegate its responsibility to pre-approve services performed by the independent auditors to management.

The annual audit services engagement terms and fees are subject to the specific pre-approval of the Audit Committee. The Audit Committee will approve, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope or other matters. All other audit services not otherwise included in the annual audit services engagement must be specifically pre-approved by the Audit Committee.

## REPORT OF THE AUDIT COMMITTEE

*The material in this report is not “soliciting material,” is not deemed filed with the SEC and is not to be incorporated by reference in any of our filings under the Securities Act of 1933 or the Securities Exchange Act of 1934, whether made before or after the date of this Proxy Statement and irrespective of any general incorporation language therein.*

The purpose of the Audit Committee of SWK Holdings Corporation (the “Company”) is to assist the Board in its oversight of the financial accounting, reporting and controls. The Board, in its business judgment, has determined that all members of the Audit Committee are “independent” as set forth in the listing standards of The Nasdaq Stock Market. The Audit Committee operates pursuant to a charter, a copy of which is available under the heading “Corporate Governance” on the Company’s website ([www.swkhold.com](http://www.swkhold.com)). The Audit Committee meets with the Company’s management and with our independent registered public accounting firm, with and without management present, to discuss the scope and plans for their audit, the results of its examinations, its evaluations of the Company’s internal controls and the overall quality of the Company’s financial reporting. The Audit Committee met four times during 2019.

The current members of the Audit Committee are Mr. Baker, Dr. Fletcher, and Mr. Stead. Dr. Fletcher joined the Audit Committee upon his appointment to the Board on August 30, 2019.

In performing its oversight role during the period since its last report, the Audit Committee reviewed and discussed the Company’s audited consolidated financial statements with the Company’s management and independent registered public accounting firm. The Audit Committee also discussed with the Company’s independent registered public accounting firm the matters required to be discussed under the rules adopted by the Public Company Accounting Oversight Board (“PCAOB”) and the SEC. The Audit Committee received the written disclosures and the letter from the Company’s independent registered public accounting firm, BPM LLP (“BPM”) by PCAOB Rule 3526 “*Communication with Audit Committees Concerning Independence*” and discussed with BPM its independence from the Company. Based on the discussions with management and BPM, the Audit Committee previously recommended to the Board that the Company’s audited consolidated financial statements that were reviewed by the Audit Committee and discussed with management and BPM be included in the Company’s Annual Report on Form 10-K for the year ended December 31, 2019.

The members of the Audit Committee rely on the information provided to them and on the representations made to the Audit Committee by the Company’s management and independent registered public accounting firm without conducting independent verification of the accuracy of such information and representations. Accordingly, the Audit Committee’s oversight does not ensure that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee’s considerations and discussions referred to above do not ensure that any audit of the Company’s consolidated financial statements conducted by independent registered public accounting firm has been carried out in accordance with generally accepted auditing standards, or that the consolidated financial statements are presented in accordance with generally accepted accounting principles.

### **TRANSACTIONS WITH RELATED PERSONS**

#### **Review, Approval or Ratification of Transactions with Related Persons**

Our Audit Committee Charter requires our Audit Committee to review and approve certain transactions between us and our executive officers and directors and greater than 5 percent beneficial owners of our common stock, and each of their immediate family members. Transactions subject to the review and approval of the Audit Committee (or another independent body of the Board) include transactions between us and the related person in which the aggregate amount involved exceeds or may be expected to exceed \$120,000 and in which such person has or will have a direct or indirect material interest. The Board determines, on an annual basis, which members of the Board meet the definition of independent director as defined in the rules of The Nasdaq Stock Market and reviews and discusses any relationships with a director that would potentially interfere with his or her exercise of independent judgment in carrying out the responsibilities of a director. In approving or rejecting any such transaction, the Audit Committee, considers the relevant facts and circumstances available to it, including but not limited to the risks, costs, benefits to our company, the terms of the transaction, the availability of other sources for comparable services or products and, if applicable, the impact on a director's independence. Our Audit Committee approves only those transactions that it determines in good faith, are in, or are not inconsistent with, our best interests.

#### **Certain Transactions with Related Persons**

On August 28, 2012, the Company appointed Charles Jacobson as the Company's Chief Financial Officer, effective September 4, 2012. Mr. Jacobson carries out his role as Chief Financial Officer of the Company pursuant to an agreement between the Company and Pine Hill, such agreement was assumed by CFGI on April 1, 2019. The agreement outlines the scope of responsibilities of CFGI, as well as Mr. Jacobson's role. These include, but are not limited to, matters relating to the preparation and filing of the Company's periodic reports under the Exchange Act, the preparation of the Company's consolidated financial statements included therein, and assisting the Company's independent auditors with respect to developing and maintaining a system of internal control over financial reporting and disclosure controls and procedures. CFGI is compensated at a fixed annual fee plus reasonable expenses for performing services pursuant to the agreement. CFGI is responsible for all payments to Mr. Jacobson. As a result, Mr. Jacobson does not receive direct compensation from the Company and the amount of aggregate payments made to CFGI are based on the amount of work performed on our behalf. In 2019, the Company paid CFGI \$339,000 in fees for its services. Of the total \$339,000, \$174,000 was related to the acquisition of Enteris. In 2018, the Company paid CFGI \$203,000 in fees for its services.

### PROPOSAL 3—ADVISORY VOTE ON COMPENSATION OF CERTAIN EXECUTIVES

We are providing stockholders with an advisory vote on executive compensation, or “Say on Pay.” The Say on Pay vote is a non-binding advisory vote on the compensation of our named executive officers, as described in the Executive Compensation section of this proxy statement, including the compensation tables and accompanying narrative disclosure. Although non-binding, the Board of Directors and the Compensation Committee will review the voting results and take them into consideration when making future decisions regarding our executive compensation programs.

We strongly believe that our ability to retain and motivate our senior management is essential for us to execute our business plan. We place great importance on the consistency of our senior management in achieving results that we believe will enhance long-term stockholder value.

Stockholders are urged to read the Executive Compensation section of this proxy statement, including the compensation tables and the accompanying narrative disclosure, which discusses our compensation philosophy, policies and procedures, as well as outlines the compensation of our named executive officers in fiscal 2019. The Compensation Committee and the Board of Directors believe that the policies and procedures articulated in the Executive Compensation section are effective in implementing our compensation philosophy and in achieving its goals and that the compensation of our named executive officers in fiscal 2019 reflects and supports these compensation policies and procedures.

Accordingly, we ask our stockholders to approve the following resolution:

“RESOLVED, that the stockholders of the Company approve, on an advisory basis, the compensation of the Company’s named executive officers as disclosed pursuant to the compensation disclosure rules of the SEC, including the compensation tables and related material disclosed in the proxy statement for the 2020 Annual Meeting of Stockholders.”

**The Board of Directors recommends a vote *FOR* adoption of the resolution approving, on an advisory basis, the compensation of certain executive officers.**

## STOCKHOLDER PROPOSALS

Under the rules of the SEC, if a stockholder wants us to include a proposal in our proxy statement and form of proxy for presentation at our 2020 annual meeting of stockholders (pursuant to Rule 14a-8 of the Exchange Act), the proposal must be received by us at our principal executive offices by the close of business on December 29, 2020. As the rules of the SEC make clear, simply submitting a proposal does not guarantee that it will be included.

Any stockholder director nomination or proposal of other business intended to be presented for consideration at the 2020 annual meeting, but not intended to be considered for inclusion in our proxy statement and form of proxy relating to such meeting (i.e. not pursuant to Rule 14a-8 of the Exchange Act), must be received by us at our principal executive offices by January 17, 2021.

The above-mentioned proposals must also be in compliance with our By-Laws and the proxy solicitation rules of the SEC, including but not limited to the information requirements set forth in our By-Laws. We reserve the right to reject, rule out of order or take other appropriate action with respect to any proposal that does not comply with the foregoing and other applicable requirements.

## HOUSEHOLDING

The SEC allows us to deliver a single set of proxy materials to an address shared by two or more of our stockholders. This delivery method, referred to as “householding,” can result in significant cost savings for the Company. As a result, stockholders who share the same address and hold some or all of their shares of common stock through a broker, bank or other nominee may receive only one copy of the proxy materials, unless the broker, bank or other nominee has received contrary instructions from one or more of the stockholders at that address. Certain brokers, banks and other nominees have procedures in place to discontinue duplicate mailings to stockholders sharing an address. Beneficial owners that desire to eliminate duplicate mailings should contact their broker, bank or other nominee for more information, and stockholders of record should submit their request by contacting Broadridge, Householding Department, 51 Mercedes Way, Englewood, NY 11717 or call them at 800-542-1061.

The Company will deliver promptly, upon written or oral request, a separate copy of the proxy statement and annual report to a stockholder at a shared address to which a single copy of the documents was delivered. A stockholder preferring to receive his or her own set of proxy materials now or in the future, should contact Broadridge, Householding Department, 51 Mercedes Way, Englewood, NY 11717 or call them at 800-542-1061.

## OTHER BUSINESS

As of the date of this proxy statement, SWK received no proposal, nomination for director or other business submitted in accordance with its bylaws for consideration at the Annual Meeting, other than that set forth in the Notice of Annual Meeting of Stockholders and as more specifically described in this proxy statement, and, therefore, it is not expected that any other business will be brought before the Annual Meeting. However, if any other business should properly come before the Annual Meeting, it is the intention of the persons named on the enclosed proxy card to vote the signed proxies received by them in accordance with their best judgment on such business and any matters dealing with the conduct of the Annual Meeting.

By order of the Board of Directors,

Winston L. Black III  
Chief Executive Officer

**Whether or not you plan to attend the 2020 Annual Meeting of Stockholders, please complete, date, sign and promptly return the accompanying proxy card in the enclosed postage-paid envelope so that your shares will be represented at the meeting.**
